S:Symposiums W:Workshops U:Forums  English session  Open-call session

## Online

### 16 March[SAT]

Room	9:00	9:15		12:00	12:30	14:00	15:15		17:45	18:00	19:45
A	Opening remarks	Oral	 Animal community	Lunch break	<div>U02 Field Safety Training</div> <div>U03 Ecological education helps in any field 2</div>		Oral	 Material cycling	Break	Opening Ceremony  SpatialChat	
B		Oral	 Biodiversity				Oral	 Animal-plant interaction			
C		Oral	 Conservation				Oral	  Ecology and human culture			
D		Oral	Life history of plants / Plant reproduction / Plant ecophysiology				Oral	Plant ecophysiology			
E		Oral	Landscape ecology / Animal population				Oral	Animal population / Animal community			
F		Oral	Introduced species / Behavior				Oral	Behavior			
G		Oral	Ecosystem management / Mathematical ecology				Oral	Mathematical ecology			
H		Oral	Evolution				Oral	Evolution / Conservation			
Others	Poster presentations (Accessible at all times)				13:00~15:00 Poster Core Time A		Poster presentations (Accessible at all times)				
					U01 Mentoring & meetup(Moai)		U01 Mentoring & meetup(Moai)				
	Exhibition of sponsors (Accessible at all times)										
	Virtual lobby (SpatialChat)										

Room	9:00	9:15	12:00	12:30	14:00	16:15	17:45	18:00	19:45
------	------	------	-------	-------	-------	-------	-------	-------	-------

### 17 March[SUN]

Room	9:00		11:45	12:15	13:45	15:30	17:00	17:30	19:00
A	Oral	🇬🇧 Plant ecophysiology		Lunch break	U04 Future vision of the three English journals published by ESJ  U05 Creating an Academic Space for Everyone	W01 Disturbance and biodiversity conservation in agricultural landscapes  W02 Connecting species and individual "interactions" in ecology  W03 green anole control: toward the establishment of new methodology  W04 Youth's contribution to local ecosystem conservation  Ecology course for high school students/ Award ceremony	Break	W05 Indirect effects forum: Curtain drawer  W06 Biological invasions: current status and future prospects  🇸🇬W07 Creation of "thesis poem" with generative AI  W08 Love of insect VIII.  U06 Publish your first paper with Ecological Research	
B	Oral	🇬🇧 Evolution							
C	Oral	🇸🇬🇬🇧 Sociality, Cognitive ecology	Biodiversity						
D	Oral	Plant population / Plant community							
E	Oral	Life history of animals / Animal reproduction							
F	Oral	Animal-plant interaction							
G	Oral	Fungi and microbes / Material cycling							
H	Oral	Conservation							
Others	Poster presentations (Accessible at all times)			13:00~15:00 Poster Core Time B			Poster presentations (Accessible at all times)		
				U01 Mentoring & meetup(Moai)			U01 Mentoring & meetup(Moai)		
	Exhibition of sponsors (Accessible at all times)								
	Virtual lobby (SpatialChat)								
Room	9:00		11:45	12:15	13:45	15:30	17:00	17:30	19:00

Room	9:00	11:45	12:15	13:45	15:30	17:00	17:30	19:00
------	------	-------	-------	-------	-------	-------	-------	-------

## Yokohama Kannai HALL On-site(hybrid)

### 18 March[MON]

Room	12:00	13:30	14:00	15:00	16:00	17:00	17:45
Large Hall	General meeting		Break	Lectures by award recipients			Award Ceremony
				ESJ Prize Dr. Hiroshi Kudoh	Miyadi Award Dr. David W. ARMITAGE Dr. Haruko Ando Dr. Kenta Suzuki	Suzuki Award Dr. Kiyosada Kawai Dr. Takumi Saito Dr. Satsuki Tsuji	Natural History Award Dr. Masahiro Sueyoshi Dr. Hironori Toyama
Online	Poster + Oral presentations (accessible at all times)						
Room	12:00	13:30	14:00				

# ESJ71 Timetable

S:Symposiums W:Workshops U:Forums **E** English session **S** Open-call session

## Yokohama National University On-site(hybrid)

### 19 march[TUE]

Room	9:00	12:00	13:00	16:00	16:30	18:00
A Engr Sci201	S01📍 Ecology of host-symbiont interactions	Lunch break	S06📍 Reconsidering cognitive ecology		W09 Agent-based modeling	
B Engr Sci202	S02 Stream Ecology and Geosciences		S07 Biology of heterogeneous groups		W10 Dispersal ecology on islands	
C Engr Sci102	S03 Environmental Responses in Tree Ring Formation		S08 Past and future of epiphyte research in Asia		U07 Ecosystem-management committee	
D Urban 101	S04 Community stability and ecosystem functions		S09📍 Frontiers of Deep-Sea Research		W11 Utilizing JaLTER by young researchers	
E Urban 103	S05 Developmental Agroecology: Sustainable food systems		S10 Masting plants and florivores / granivores		W12 Lightning talks @ Yokohama	
F Urban 204		U01 Mentoring & meetup (Moai On-site)				
Urban 2F	Exhibition of sponsors					
Poster	Poster presentations			Poster Core Time		
Online	Virtual lobby (SpatialChat)					
	Poster + Oral presentations (accessible at all times)					
		U01 Mentoring & meetup(Moai)			U01 Mentoring & meetup(Moai)	
Room	9:00	12:00	13:30	16:30	18:00	

### 20 March[WED]

Room	9:00	12:00	13:00	14:30	15:30	16:30	18:00
A Engr Sci201	S11📍 Culture from ecology and evolution	Lunch break	W13 Diverse life-histories of modular organisms			W18 Utilization of data getting buried	
B Engr Sci202	S12📍 Ecology as a complex system science		W14 JBON meeting			W19 Intro to One Health Approaches	
C Engr Sci102	S13 Environmental memory in plants		W15 Online community			U08 Biodiversity database and platform	
D Urban 101	S14📍 Biodiversity Observation and Assessment in Terrestrial Ecosystems with EBVs		W16 Genomics of insular plant evolution			W20 Improving observation using the cameras	
E Urban 103	S15 Conservation genomics for the protection and propagation project		W17 Araceae 2nd			W21 bamboo flowering	
G Econ-2			Public lecture				
Urban 2F	Exhibition of sponsors						
Poster	Poster presentations	11:00~13:00 Poster Core Time (high school students)	Poster presentations		15:30~17:30 Poster Core Time		
Online	Virtual lobby (SpatialChat)						
	Poster + Oral presentations (accessible at all times)						
						U01 Mentoring & meetup(Moai)	
Room	9:00	11:00	13:00	15:30	16:30	18:00	

### 21 March[THU]

Room	9:00	12:00
A Engr Sci201	S16 interindividual variation	
B Engr Sci202	S17 <b>E</b> Community dynamics under changing environments	
C Engr Sci102	S18 UAV Ecology	
D Urban 101	S19 Ecology and evolution in a ploidy-structured population	
E Urban 103	S20 Grassland environmental values	
Urban 2F	Exhibition of sponsors	
Online	Virtual lobby (SpatialChat)	
	Poster + Oral presentations (accessible at all times)	
Room	9:00	12:00
